CRYSTEL CERESA THIERRY FEUZ *Flowers* March 11 – April 30, 2010

Opening in the presence of the artists on Thursday March 11, 2010 from 6:00pm to 9:00pm.

The Laleh June Galerie Basel is proud to announce its upcoming exhibition *Flowers*, the first duo exhibition by Crystel Ceresa and Thierry Feuz. *Flowers* demonstrates how Ceresa's and Feuz's paintings reside at the intersection of art history and the imagination. Their works remain very much their own with their combinations of figurative and abstract elements. *Flowers* shows how they distinguish themselves within an age-old tradition of flower painting.

Thierry Feuz, received a MA in Art at the Geneva University of Art and Design (HEAD) and Universität der Künste, Berlin. His work has been exhibited internationally and included in international private, corporate and public collections. Feuz was born in 1968 in Vienna, moved to Switzerland in 1990s, he now lives and works in Geneva and Vienna.

Thierry Feuz paintings in their microworlds and macrovisions of the nature, a mix of landscapes, are close-ups, "you have entered, a landscape and the details of a strange, humid, wet, and dangerous life, have become visible." Thierry Feuz adds.

Crystel Ceresa, received a BA in Art at the Geneva University of Art and Design (HEAD). Ceresa was born in Geneva, where she now lives and works. Crystel Ceresa paintings make references to senses, as well as dream-like visions.
